SUMMARY

Extremely driven, has a good academic background, and is passionate about innovation and problem-solving with outstanding developmental and analytical abilities. Looking for a challenging position where I can use my technical expertise and help create innovative software solutions.

PROFESSIONAL SKILLS

- Languages - Python, Java
- Front End Technologies - HTML, CSS, JavaScript, Bootstrap, React JS
- Back End Technologies - Django
- Others - Machine Learning, Data Science

EDUCATION

- **Computer Science and Engineering (Data Science)** — **2020-2024** — **CGPA - 8.41**
  Institute of Aeronautical Engineering, Dundigal, Hyderabad

- **Intermediate** — **2018-2020** — **Percentage - 94.2%**
  Toppers junior college, Ecil, Hyderabad, Telangana

- **SSC** — **2017-2018** — **CGPA - 9.3**
  Gowtham Model School, A.S.Rao Nagar, Hyderabad, Telanagana

PROJECTS

- **Suicidal Ideation Prediction among users on social media using ML and NLP** ↗
  Created a Machine learning based application which is used to predict the suicidal ideation among the users on social media platforms on the basis of their textual message data.

- **Django-based group video calling app** ↗
  Developed a basic video communication web application using Django which is a python based backend framework. This application allows a maximum of 10 users to interact on a video call.

- **Life-Expectancy-Calculator using ML** ↗
  Developed a Life Expectancy Calculator using Machine Learning as a personal project, showcasing my proficiency in data science and predictive modeling. This model predicts the life expectancy of a person based on his/her Body Mass Index(BMI).

- **React Based Weather Application** ↗
  Designed a Web-based project used to get weather updates on a given place as input. Developed using React JS which fetches data from geolocation API and Open weather API.

CERTIFICATIONS AND ACCOMPLISHMENTS

- Finalist of DST Geospatial Hackathon in Research challenge
- Finalist of DST Geospatial Hackathon in Startup challenge
- Certified Front-End developer by Epam
- Certificate of excellence in java by coding ninjas
- Winner of Web Geeks web development competition
- Topper of the department in first semester

CODING PROFILES

- Leetcode ↗
- Hackerrank ↗
- Geekforgeeks ↗
- Codechef ↗

PERSONAL SKILLS

- Team player
- Good Communicator
- Time management
- Active Listener
- Quick learner
